

# Fremskrivning af emissioner fra vejtrafik - fra i dag til 2080

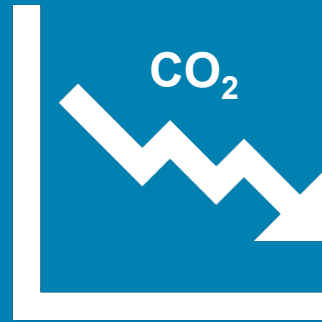

*Uffe Ærboe Christiansen*

Vejdirektoratet

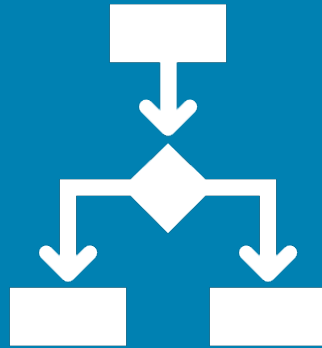

Trafikdage 2019

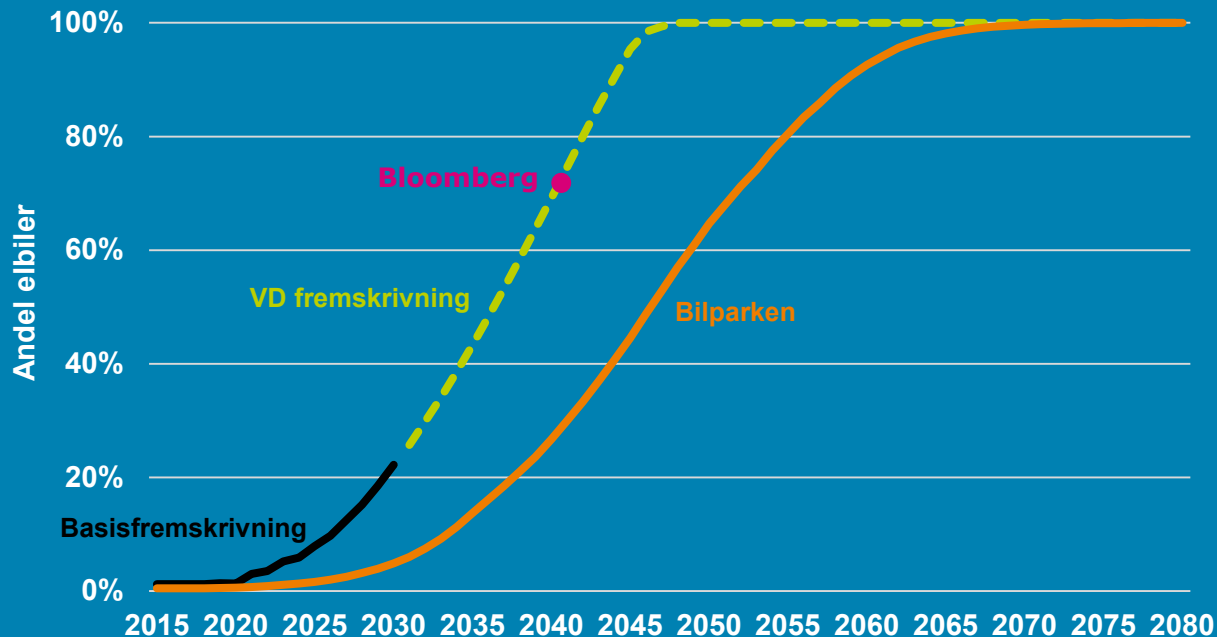

# Hvorfor lave en fremskrivning til 2080?

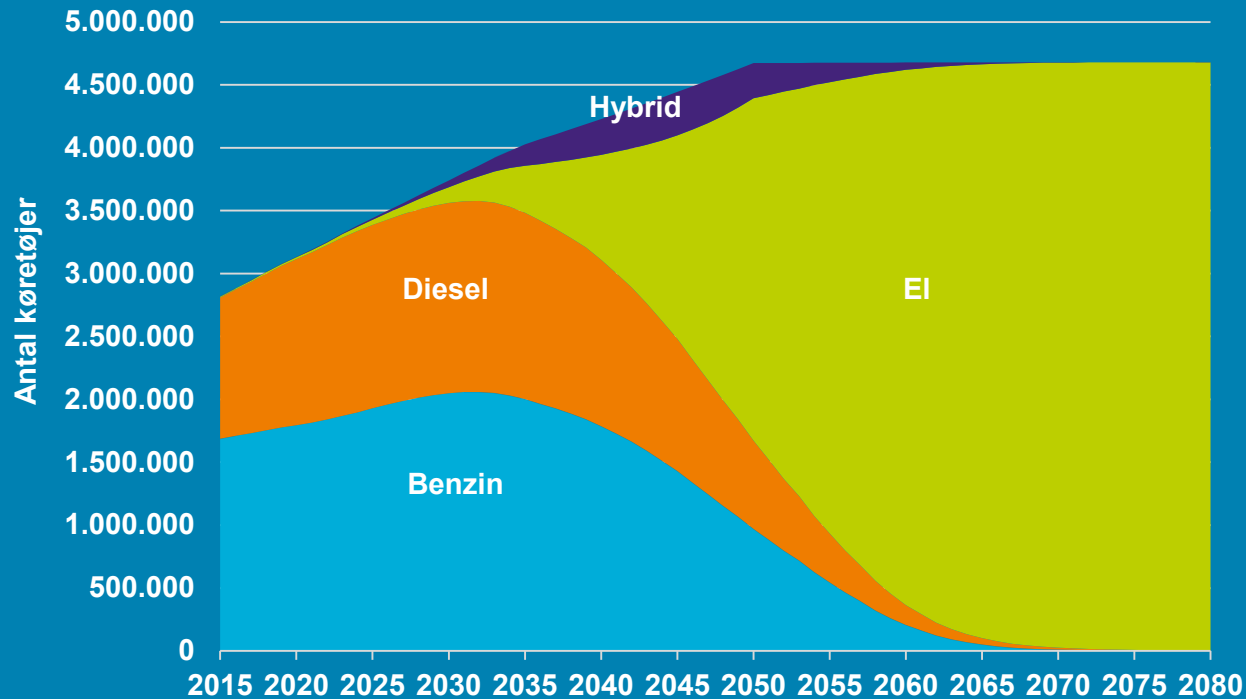

# Hvordan har vi gjort?

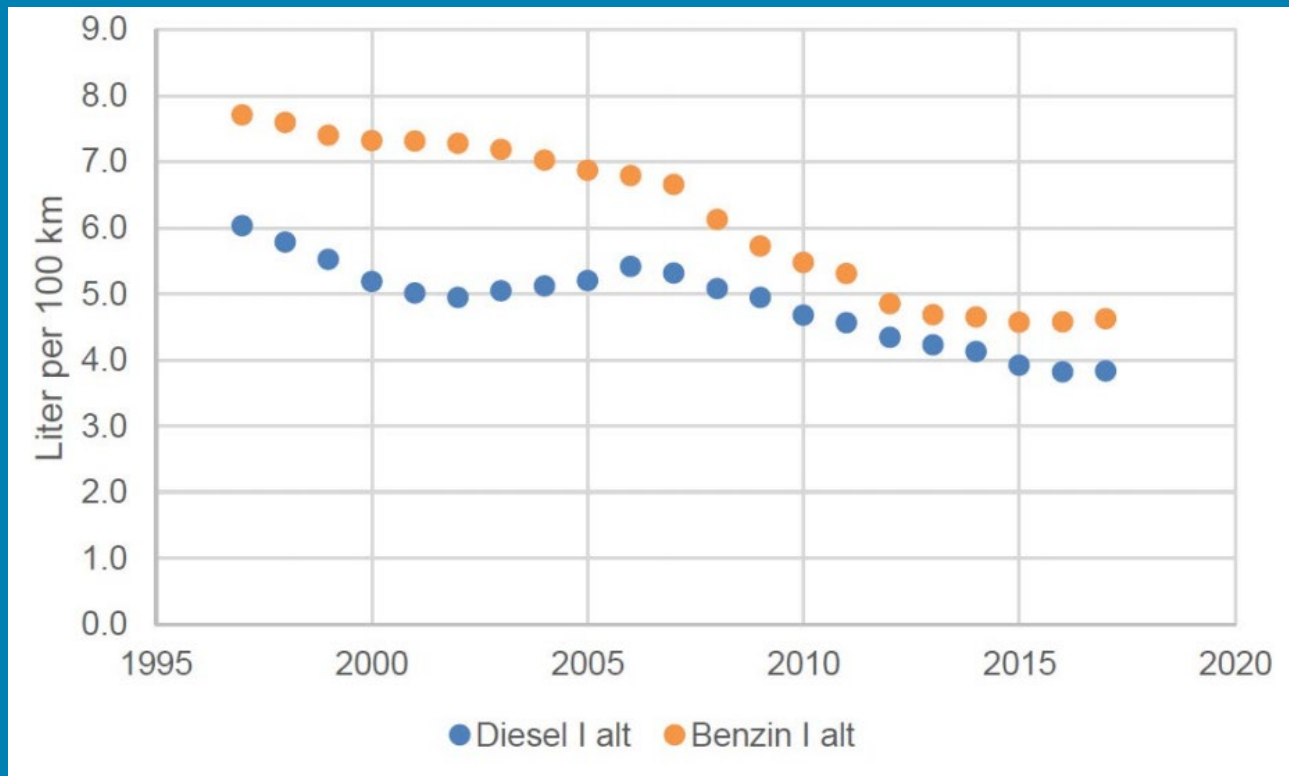

# Prognose for sammensætningen af køretøjer

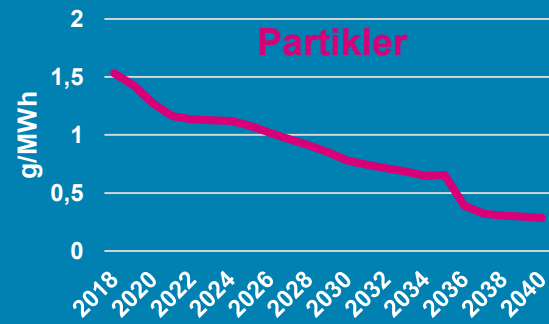

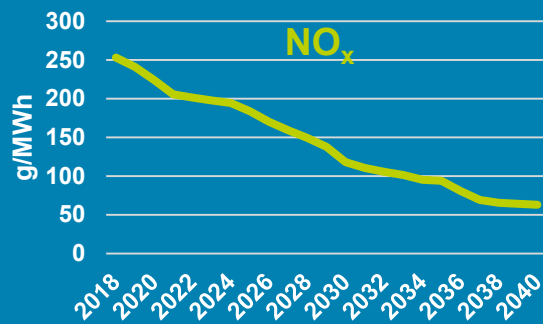

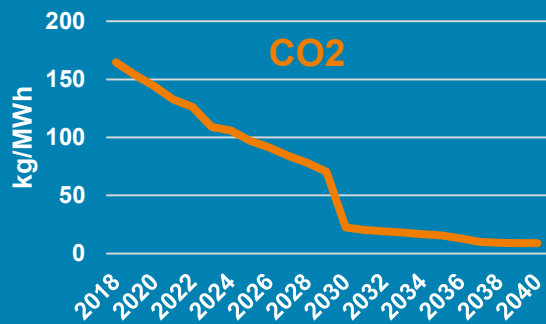

# Prognose for sammensætningen af køretøjer

## Hvad udleder konventionelle køretøjer?

## Hvad udleder elbiler?

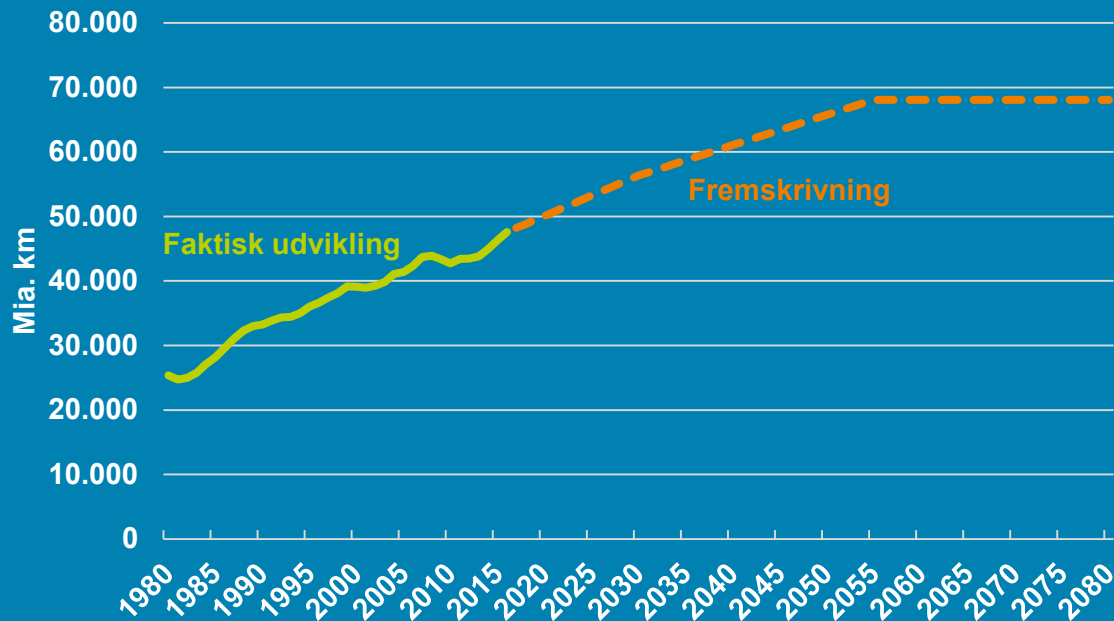

# Resultater

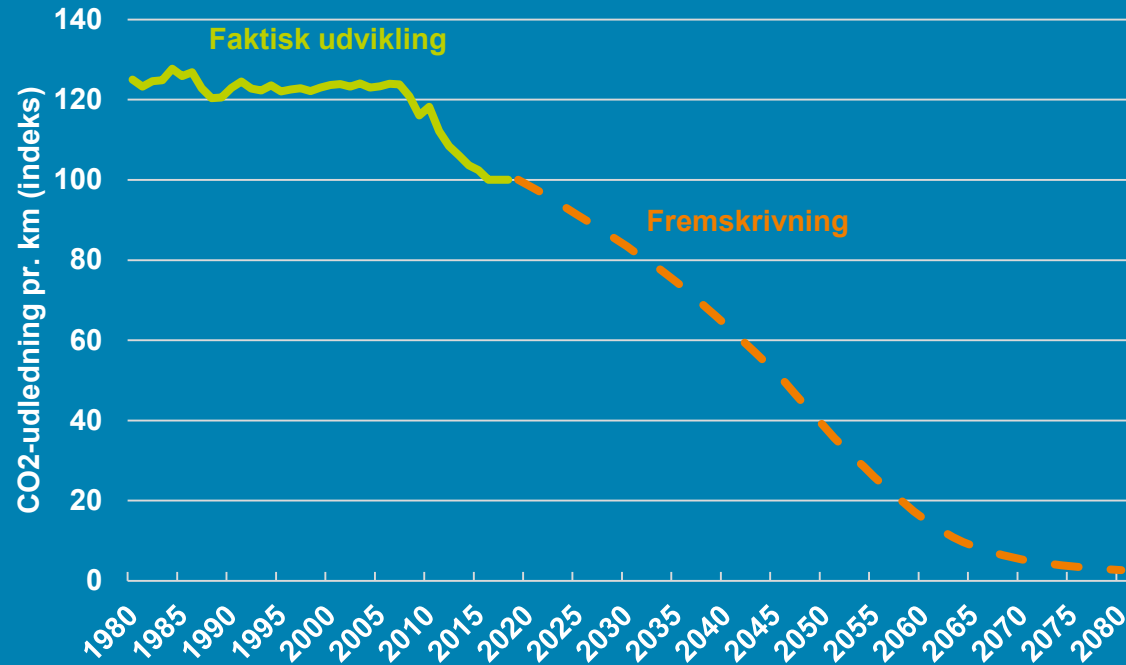

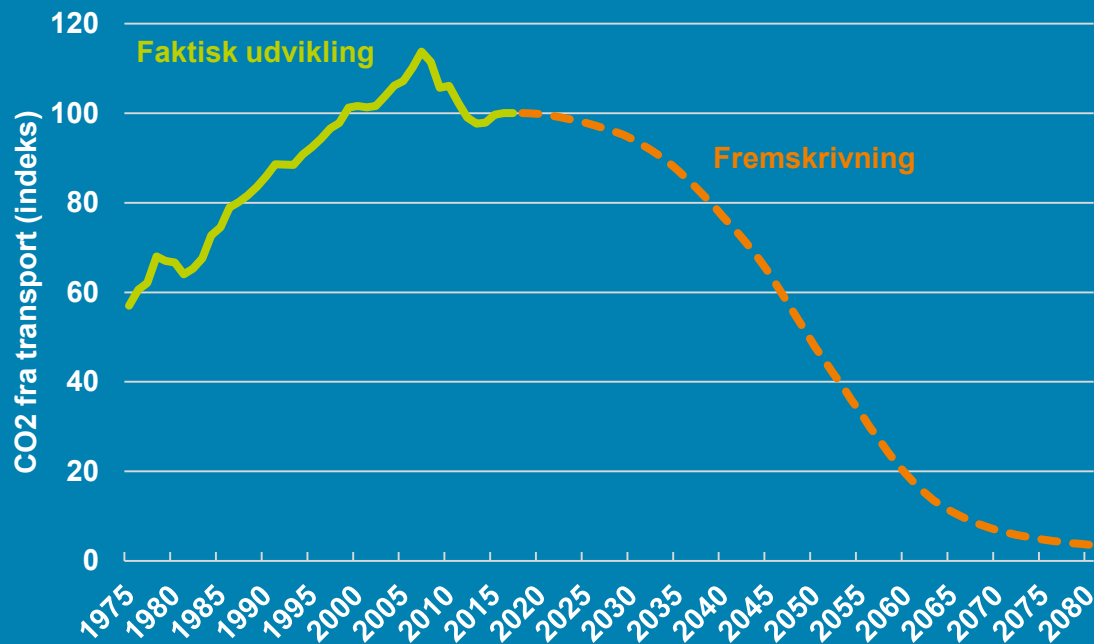

# Trafikken stiger i fremtiden

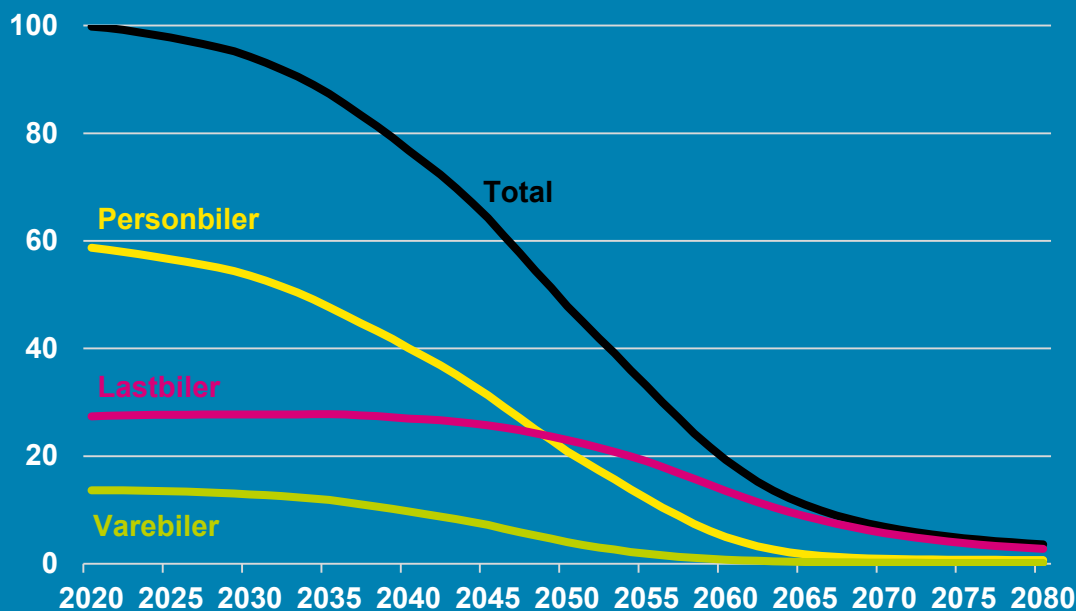

# Energieffektiviteten stiger

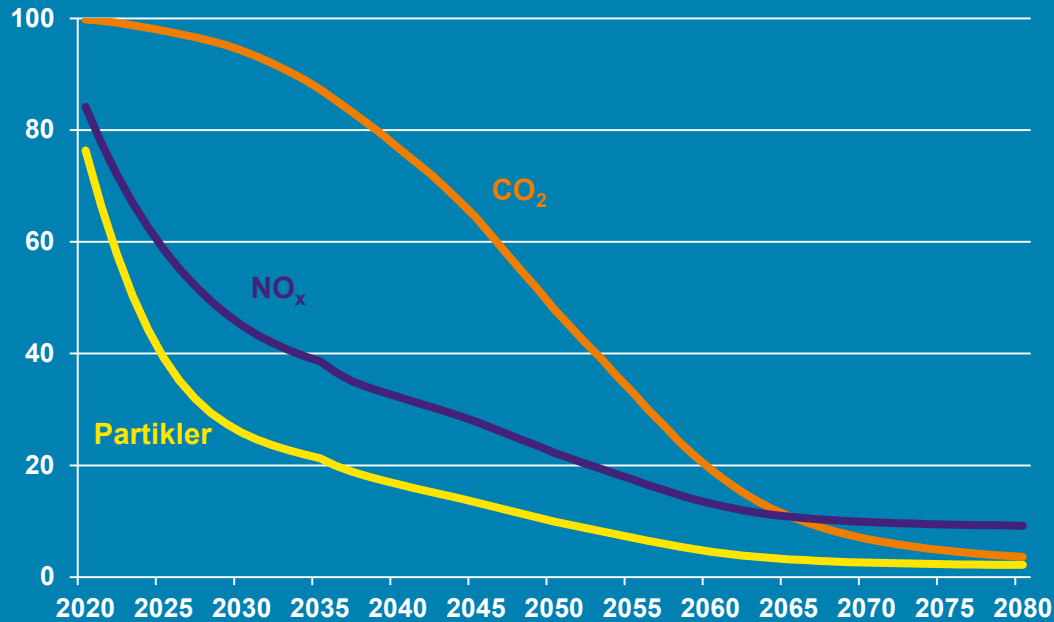

# Resultat: CO<sub>2</sub>-udledningen falder i fremtiden

# CO<sub>2</sub>-udledningen fra personbiler sker hurtigere end for vare- og lastbiler

# NO<sub>x</sub>- og partikeludledningen falder hurtigere end CO<sub>2</sub>-udledningen
